Weekly Office Update

St. Wenceslaus Catholic School

From the Office of the Principal ...

Dear Parents, Grandparents, and Friends of SWS;

This week our Home and School Association is celebrating staff appreciation week. The H&S Assoc. is a representative group of parents who try to do nice things for the school, the kids, and the teachers throughout the year. They will be appreciating our school staff this week with an official SWS Staff Appreciation Week. Feel free to join in and offer your appreciation for the people who are closest to your children day in and day out, to those who work behind the scenes to make sure things run smoothly, and to all staff members of SWS no matter what their job is. As the leader of this school, I can testify to you that we have a very dedicated and passionate staff. They are employed at our school because of their love for their work and their drive to fulfill the mission of providing a Catholic Education that is academically excellent for the families who choose it. Each and every one of them is talented in so many ways. They sacrifice their own lives to do the good work that God has called them to and that they so strongly believe in. Let's all show appreciation and thank God for each one of the SWS staff members.

NWEA testing begins this week

Students in K-8 will be doing the spring NWEA testing . These tests are done within the classrooms and in the computer lab. Each class spends about 1-2 hours on Math, reading, and writing over the course of 2 weeks. Tests help the school see the strengths and the areas in which we need to improve our program.

Baskets, Baskets, Who's got a Basket?

If you came to the Starry Night and got a basket, we would love to get the empty ones back so we can use them again next year! Just bring to school office or church basement.

Club House Director Wanted:

Please pass the word. We are seeking a new person to run our Club House for the next school year. This could be a full time or a part time position for the right person. This position will start on August 15.

We are thankful for having Jessie Bohnsack, our current director, on staff this year. Jessie will be leaving us at the end of May. She has been a wonderful addition to our school and we are sad to see her leave. She has done many great things with our Club House program and we are grateful. Good Luck Jessie in your new adventure!

First Communion

In the next couple of weeks the 2nd grade students will be receiving their First Communion. This is a very special time for them and we are proud to have them be able to more fully participate in the Mass with the rest of the Church. They will receive this sacrament at one of the weekend Masses with their families. The school will host a special Mass where we will celebrate with them being a part of the faith community of the school. That will be held on Wednesday, May 9 at our 8:00 am Mass.
