19 students	\$4200
18 students	\$4250
17 students	\$4300
16 students	\$4350
15 students	\$4400

Early Withdrawal Policy

We want to be sensitive to the financial stress on every family during this time of COVID and uncertainty. Since so many have asked about the policy, we are stating it here for your information.

- St. Wenceslaus School carefully budgets for how many students will be in attendance during each school year. The school fiscal year runs from July 1 to June 30. When a student is withdrawn from school after July 1 to the end of a contract year, a hardship is presented to our school community. With that in mind, the following payment schedule shall be adhered to:
- **Prior to September 30** – 25% of the total tuition and fundraising commitment is payable to school.
- **Prior to November 15** – 50% of the total tuition and fundraising commitment is payable to school.
- **Prior to January 15** – 75% of the total tuition and fundraising commitment is payable to school.
- **After January 15** – 100% of the total tuition and fundraising commitment is payable to school.

****Please note that if school starts out face to face and transitions into distance learning for a short time or a longer period, the school is ready to provide a full distance learning program and the above policy will remain in place for K-8 students.
